

## REPORT ON THE READERS' PLANET CLUB

The Readers' Planet Club was one of the seven clubs of the Department of English conceived by Dr. Maria Preethi Srinivasan, Associate Professor and Head , Department of English. It was inaugurated on the 7<sup>th</sup> of August 2021 by the veteran film maker Mr. Vetrimaran. The aim of the club is to enrich and motivate students to refresh their reading skills and inculcate in them the passion to read more and more. There is always an inclination to learn something new among our students across various departments and the objective of the club is to initiate students by opening the portals of their imagination through texts /novels/ articles and through vocabulary enrichment games. The response has been very good and students' feedback has been really encouraging. The details of the sessions that were held in 2021 are given below.
