SPECIAL CAMP ACTIVITIES - 16.12.2021 to 22.12.2021

Day-1: 16.12.2021 Afternoon

The NSS volunteers collected the COVID vaccination data from Maattrankuppam in the afternoon. They taught the children residing in that surrounding to paint, colour and write neatly without spelling mistakes, to propagate Tamil Nadu Government's new scheme, 'ILLAM THEDI KALVI'. One could witness a good interaction between the volunteers and children in this activity. Further, the volunteers involved themselves in cleaning the surroundings to make preparations for the vaccination camp to be held in the following day. As it was the first day of the NSS Camp, the volunteers got introduced to each other by working in team.

Day-2: 17.12.2021 Forenoon

In the second day of the camp, Dr. Vaneeta Agarwal, NSS Coordinator, Madras University visited the Camp and encouraged the students to play the role of COVID-19 Vaccination Ambassadors. The volunteers mobilized the residents by undertaking a door to door campaign, duly urging them to take vaccination without fail. They also took the vaccination census at Maatankuppam by collecting the statistics of young and aged people, both vaccinated and unvaccinated peoples. They also distributed *Kabasura Kudineer* to the residents.

Day-2: 17.12.2021 Afternoon

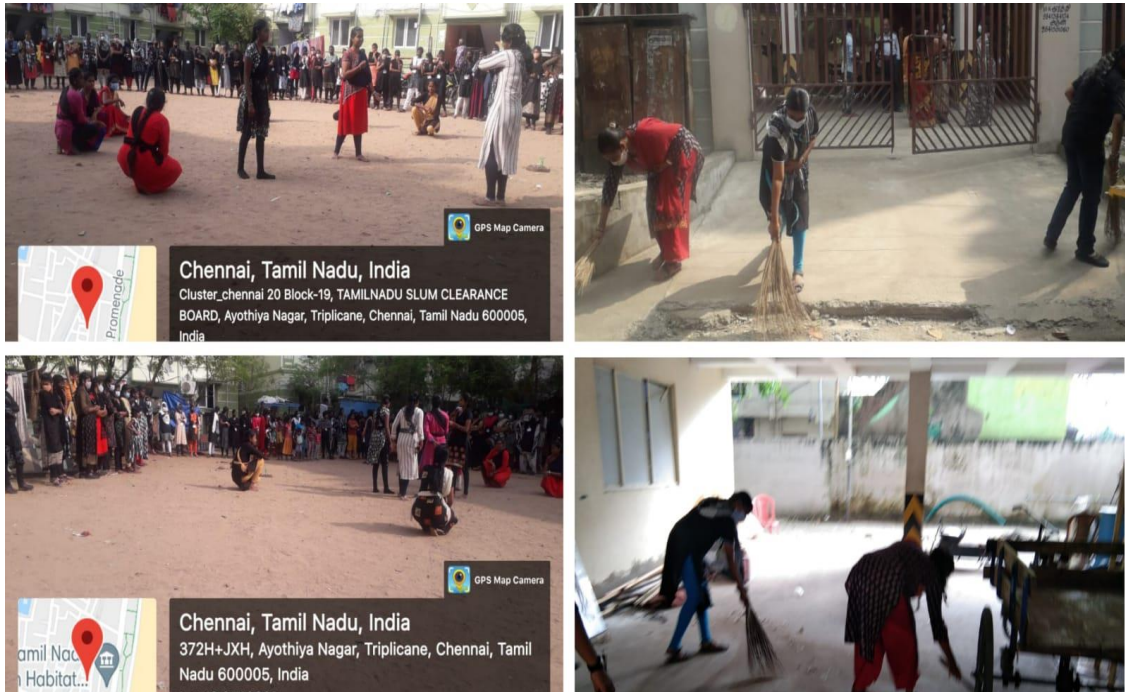

The NSS volunteers taught basic English and Mathematics classes to the children residing at Maatrankuppam. They also conducted drawing competition for the children at the end of this session.

Day- 3: 18.12.2021 Afternoon

In the afternoon, the NSS volunteers engaged themselves in the cleaning drive. They cleaned the streets of Maatrankuppam in collaboration with the Greater Chennai Corporation. A street play was enacted by the NSS volunteers to create awareness among the residents on combating the spread of Corona

Virus.

Day- 4: 19.12.2021 Forenoon

The NSS volunteers got the privilege to plant saplings in and around Maatrankuppam, as a thoughtful and beneficial service to the society in the forenoon. Trees are incredibly beneficial to our environment and planting saplings is an investment not only to this generation but also to the generations to come. The NSS volunteers also donated some saplings to the residents of Maatrankuppam inviting them to plant trees.

Day-5: 20.12.2021 Afternoon

The COVID 19 Vaccination camp continued in the afternoon session till 2 p.m. Then the NSS volunteers cleaned the streets of Maatrankuppam. An anti-dengue campaign was also initiated among the residents of these places to emphasize on the prevention and control of Dengue.

Day- 6: 21.12.2021 Afternoon

In the afternoon session, the NSS volunteers conducted a door to door campaign at Maatrankuppam, promoting awareness to the residents on the causes and effects of Dengue. The NSS volunteers pasted Dengue awareness stickers in front of the houses and shops to spread awareness on the dreaded disease. At the end of the session, Imman Annachi visited the Camp again and interacted with the NSS volunteers and motivated them to render more social services to the people.
