

**Webinar on
Artificial Intelligence**
Organized by
Queen Mary's College
Webinar starts : June 5th, 11am

PG and Research department of Physics conducted a webinar on artificial intelligence and it's applications on June 5th, 2020 at 11 am. The Webinar commenced with the welcome speech by our head of the department Dr. Hemamalini Rajagopal. The chief guest of the webinar was the expert on artificial intelligence, innovator Mr. A. Rajagopal. The webinar on

artificial intelligence was very informative and enlightening as it gives an innovative exposure to students with keen interest to develop their knowledge. The chief guest explained the topic with real-life examples which kindled the interest of the students. Our college students, staff and students from other colleges also participated in the webinar. Almost 548 participants were present during the session. E-certificates were given to all the participants. The webinar has 1252 views till date.
