

POSTGRADUATE DEPARTMENT OF HOME SCIENCE
QUEEN MARY'S COLLEGE (AUTONOMOUS)
I'M MILLETian Campaign Rally

In commemoration of the International Year of Millets 2023, the Department of Home Science, Queen Mary's College and Millet Leaf (a Start-up Co) jointly organized an awareness campaign on the Importance of Millets in the Diet through a Rally along the shores of the Marina on 21/1/2023. It is a first among a yearlong series of events in I'M MILLETian Campaign planned to propagate the consumption of Millets. The event was flagged off by Dr. Uma Manohar, Associate professor and Head, Department of Physical Education, Health Education and sports at 7.45 a.m. opposite to Vivekanandha Illam.

The 300 strong army of Home Science students all dressed in white holding a huge banner and multicoloured placards that displayed effective messages on the nutritive value of millets caught the attentions of every walker, rider and bus passengers on the banks of the Marina. The rhymes and slogans voiced by the students in unison echoed the advantages and significance of millets in laymen language that settled in the minds of every passerby effortlessly.

The rally concluded with the march around Queen Mary's College in the august presence of the madam Principal Dr. B. Uma Maheswari, Queen Mary's College.
