The event began with Tamizh Thai Vazhthu and the Chief Guest, **Dr.S.Urmila**, Associate Professor(rtd) from the Department of English, was welcomed with a memento by our Head of the Department **Dr.P.Bagyalakshmi**.

Dr.S.Urmila shared pieces of advice with the students, emphasizing that **"the jewel to wear every day is a smile, and the expression to have every day is happiness."** She spoke about the transition from school life to college life, explained the history and specialties of the college—being the third oldest women's college—and provided tips on notetaking and skill development. She also encouraged students to participate in extracurricular activities. She taught how to improve the vocabulary for improving communication skill by the small game of finding new words for the last letter of existing word from other person. She engaged in the session with full active mode of the students and the students get benefitted.

The second session started with honoring the second chief guest Dr.E.Uma Associate Professor (Rtd) by the head of the department of Computer Applications Dr.P.Bagyalakshmi. In her closing remarks, **Dr.E.UMA** urged all students to contribute to society. She insists the students participate in sports activities for improving their health and mind. She also taught the time management for the students and disciplined lifestyle for college life. Her inspiring speech resonated with the students, and the program concluded with the National Anthem.

THANK YOU
