

QUEEN MARY'S COLLEGE (Autonomous), Chennai-04
PG & RESEARCH DEPARTMENT OF MATHEMATICS

SSL REPORT (2023-24)

The PG & RESEARCH DEPARTMENT OF MATHEMATICS organized a Mathematics Teaching Program to the children of Social Service League (SSL) School in Queen Mary's College Campus, as a part of extension activity in collaboration with IQAC, Queen Mary's college, Chennai on 17.10.2023.

II M Sc Mathematics students taught mathematical concepts to the children. Involvement of Department of Mathematics faculty members added value to the program, enhancing the learning experience for both students and children.

This is aimed to give a New Learning experience for primary school students for understanding. The 2nd year PG students divided themselves into 5 teams and conducted a interactive sessions on the following topics with some working models too.

- INCREASING & DECREASING ORDER, PLACE VALUE
- SHAPES & DIVISION
- GREATER & LESSER THAN
- ADDITION & SUBTRACTION
- BEFORE & AFTER
- CLOCK, METRIC SYSTEM

Children were very interactive and enjoyed learning. Stationery items were distributed to the children as a token of appreciation and encouragement. Models prepared by the PG students were handed over to the school for the welfare of children.

This also gave a HAPPY LEARNING EXPERIENCE for all school children and the volunteers as well.
