

QUEEN MARY'S COLLEGE (AUTONOMOUS)

DEPARTMENT OF HOME SCIENCE

HOME SCIENCE ASSOCIATION 2022-2023

(24/01/2023)

In connection with Home Science Association Activity, the Postgraduate Department of Home Science, Queen Mary's College organized various competitions on January 24, 2023 at Queen Mary's College. Innovative themes were selected for each competition. Flower arrangement competition was designed with the theme “Fresh flowers and Foliage” in which students were exhibited their creativity through beautiful arrangements. These arrangements were judged by Dr.S.Lekha, Associate Professor, Department of Zoology and Dr. S. Vijayapriya, Assistant Professor, Department of Home Science. “Honesty” themed Painting competition was peaked with maximum entries and judged by Mrs.S.Ramalakshmi, Assistant Professor, Department of History and Dr. S. Prema, Assistant Professor, Department of Home Science. Followed by above innovative competitions, Online Class Vs Offline Class Debate competition was conducted where the students discussed various boons and bans in each mode. This debate was to bring students' perception and at the same time to make them communicate effectively in a forum in front of others. The debate was judged by Mrs. Nisha Solomon, Associate Professor, Department of Home Science and Dr. K. Kasthuri, Associate Professor, Department of Home Science, Queen Mary's College. Prizes were awarded to the students. The students and staff enjoyed the competitions.
