(2/09/2022)

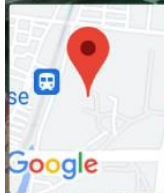

Queen Mary's College, Home Science Department organized a work shop on Kashmiri Carpet Embroidery work for second year NUTRITION FOOD SCIENCE MANAGEMENT AND DIETETICS (NFSMD) students of Home Science Department. The workshop was demonstrated by an artist BALKISHAN, who described the whole process very clearly and in a understandable manner. He explained every single details in very simple way. He provided students with the embroidery supplies like needles which are specially designed for the work, frames and designed fabrics. The professors Mrs.Vijayapriya and Ms.Prasanna of Home Science Department assisted the students with the work. Students are glad that they attended this workshop through which they were able to learn a new art work, while practicing embroidery work during workshop was as much as exciting and fun. We created new patterns and learnt basic embroidery techniques and kashmiri mirror work. The students look forward for more workshop like this to be organized by the college and to take part in those work shops.
