

**QUEEN MARY'S COLLEGE (AUTONOMOUS)**

**DEPARTMENT OF HOME SCIENCE**

**ORIENTATION PROGRAMME – REPORT**

**(10/10/2022)**

An Orientation Programme was conducted in the Department of Home Science on 10<sup>th</sup> October 2022 to the first UG and PG students admitted into the Department in 2022 to the various courses such as B.Sc Home Science- Clinical Nutrition and Dietetics , B.Sc Home Science- Nutrition, Food Service Management and Dietetics, M.Sc Home Science- Foods and Nutrition and M. Sc Home Science- Food Service Management and Dietetics.

The students were warmly welcomed by the Head and faculty of the Department, wherein each staff introduced themselves and shared their piece of advice to the newcomers for a healthy and successful academic journey in the Department.

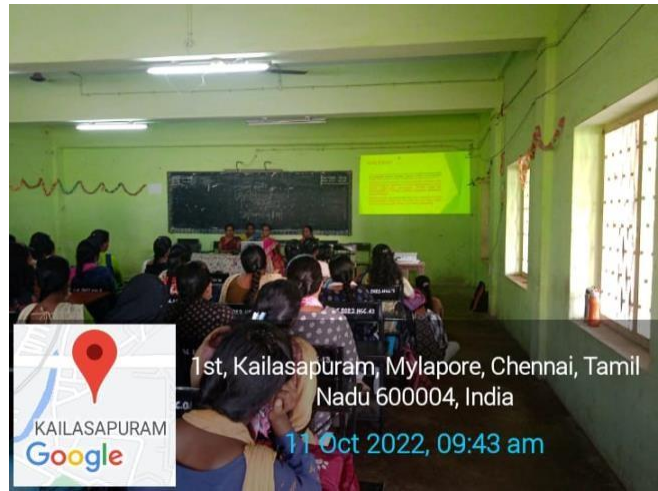

Dr. K. Kasthuri, Associate Professor and senior faculty in the Department made an interesting power point presentation to orient the students to the Department, the Courses and the College. To begin with, a brief note on the glorious past of the Department and the strides it has taken to endure the test of time and shine forth for more than 75 years in educating and empowering women was presented. Next, the general rules of the college, the department, laboratory classes, semester pattern and internal assessment were conveyed. The opportunities for co-curricular activities in the college were also briefed. Following this, the importance of higher education, roles and responsibilities of students was divulged with emphasis on gaining knowledge and acquiring skills in the chosenspecialization. Special focus was laid on learning styles, learning environment and its significance in enhancing academic performance. In conclusion, importance of inculcating good values and being an ideal student was highlighted.

The presentation was followed by a brief discussion with inputs from all staff in the Department on career opportunities available for graduates and post graduates in Home Science, with an intent to create awareness and encourage students to equip themselves to be employable or create employment as an entrepreneur.
