Seminars and Workshop

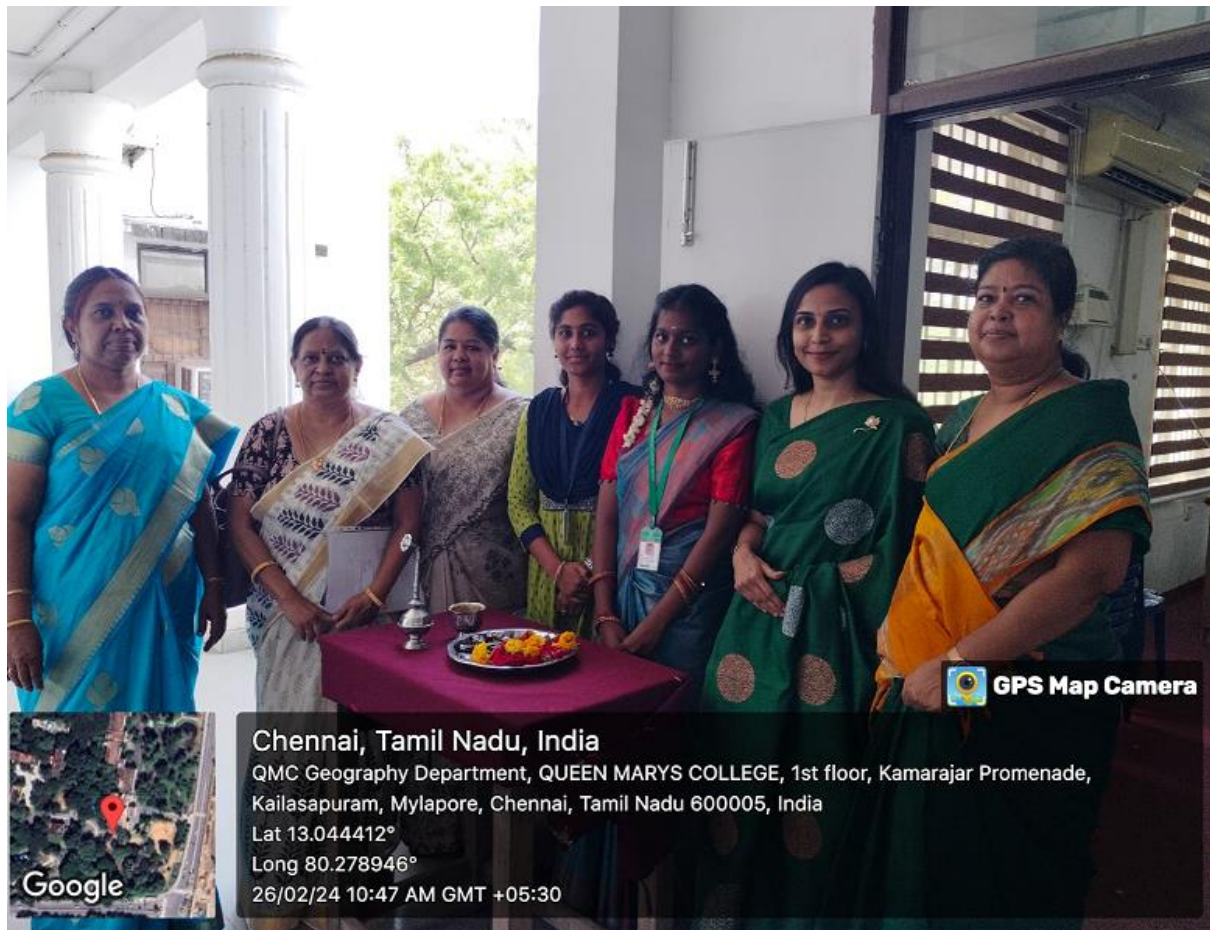

To enrich the students with knowledge, a Tech Series has been planned for four consecutive days.

Date:26.02.2024

Seminar Topic:"Role of Cyber law on Cyber Security"

Resource Person:Ms.Smrithi Anandan Advocate

During the first day of the "Tech Series", the speaker enlightened the students with real case problems. First year students of both shift I & II actively participated and shared the cyber attack faced by the friends and how they resolved it. We are happy that the talk created awareness about the topic. Few snapshots of the seminar.

Date:27.02.2024

Workshop Topic:” Web Technology Application Perspective”

Resource Person: Ms.Kaviya.S and Ms.Kasthuri, Trainer Velgrow Academy

In the second day of Tech series, a workshop was organised for the II UG students of both the shifts. The session enriched the students with creative thinking and designing of website. Few snapshots of the seminar.

Date:28.02.24

Workshop Topic:”Cryptography –Essential Demo”

Resource Person: Ms.Sujatha and Mr.Surya , Live wire

In the third day of Tech series, a workshop was organised for the PG students. The demo highlighted on how to secure & protect the data shared on the cloud, in order to ensure the confidentiality of it. Few snapshots of the seminar.

Date:29.2.24

Seminar: Python Application perspective

Resource Person: Ms.Gopika IT Engineer,IPCS Global Solutions

During fourth day and final day of Tech series, a workshop was organised for the final year UG both the shifts and PG students. This session demonstrated the application development using Python as well as Webhosting of the application. Few snapshots of the programme.
