

DEPARTMENT OF CHEMISTRY

EXTENSION ACTIVITY AT

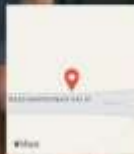

SOCIAL SEVA LEAGUE (SSL) ACTIVITY - 27.02.2024

On February 27th 2024, the Department of Chemistry of Queen Mary's College conducted various activities for students of Social Seva League School (SSL) located inside the premises. The program was open to all the classes from I to V standard and approximately 20 students were in attendance. Seven of our UG students demonstrated some experiments on Basic Chemistry. I year students performed experiments on Gases present in air and II year on Simple acid-base reactions. The objective of III year students was to spread awareness on current environmental issues and they swore an oath promising to uphold and protect the environment by reducing plastic consumption. At the end, all the kids were given opportunity to indulge in fun puzzle games on chemistry. Towards the end, they were presented a small memento as a token of love.
