MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) records the understanding arrived between Lifeline hospital having their registered office at 47/3, New Avadi Rd, Alagappa Nagar, Kilpauk, Chennai, Tamil Nadu 600010 hereinafter called LLH and Department of Home Science, Queen Mary's College, Kamarajar Salai, Opp. IG office, Mylapore, Chennai – 600 004 hereafter called Department of Home Science, QMC for following Project activity

- Conducting internship on Dietitian training programme
- Hands-on training in Food Service Department
- Certificate training in dietitians in specialization like pediatric, geriatric etc
- Work in collaboration for projects on developing specialized diet plans for various health conditions

(Handwritten signature)

Objectives: To Promote effective relationship between an established hospital and academic institution. This agreement lays down the terms and conditions for internship, training and projects along with the responsibility of both parties in its effective utilization for said purpose.

SCOPE OF MOU

This MOU broadly defines the mode and methodology of operations and spells out the rights and responsibilities of the Parties hereto.

Life Line Hospital in Kilpauk, Chennai, is renowned for its exceptional service and commitment to patient care. The dietary department stands out for its meticulous attention to creating personalized nutrition plans, ensuring that each patient receives optimal dietary support tailored to their health needs. This dedication to holistic care makes Life Line Hospitals a trusted name in healthcare.

The goal of bringing the Collaboration with the Home Science Department in Queen Mary's College is :

- To provide students with hands-on training, practical experience in nutrition, dietetics and patient care.
- To foster collaborative research projects and to enhance the reputation and credibility of both hospital and the institute through successful research outcomes.
- To create pathway for recruiting well trained and highly skilled graduates from the institution
- To share resources such as laboratories, specialized equipment to enhance the students' capabilities.
- To jointly take up any such projects and programs of value to the community, Academia, Government and the general public as may be deemed fit from time to time.

Terms and conditions

Students are provided internship at subsidized rates. Workshops and training programmes provided at subsidized rates for students on nutritional support to patients. Shared financial expenses for projects if undertaken.

Arbitration and Jurisdiction

In case of any disputes arising between the parties (LLH and Department of Home science, QMC) in respect of Implementation of Projects undertaken and rendered by the Department of Home science, QMC or the payments agreed to be made by the LLH or in respect of any other term in this MOU, the parties undertake to settle the same by mutual negotiation and in case no such settlement is arrived at after mutual negotiations, an arbitrator shall be appointed for resolving any or all the disputes that may arise between the parties as per the law applicable. The sole arbitrator shall be appointed by mutual agreement of both the parties, whose decision in this regard shall be final and binding between the parties.

COMMUNICATION

All communication or notice or intimation shall be addresses to the Nodal contacts of the respective parties and sent to the registered address of the parties concerned and such a communication sent by e-mail, tele-fax, registered air-mail shall be deemed to be sufficient.

MOU Effective Date

This Memorandum of Understanding shall be effective for the period of five years from the date of signing by both the parties. Signed this day the 20.3.2023.

A handwritten signature in blue ink, consisting of a stylized 'S' or 'B' shape with a long horizontal stroke extending to the right.
